### Give your Year 3 child the edge they need for next year's OC exam!

Our Term 4 courses are specially designed for Year 3 students preparing for opportunity class (OC) placement test. With a strong academic foundation, they'll be ready to tackle this challenging exam with confidence.

Through a rigorous curriculum, we enhance their abilities in reading, writing, mathematical reasoning, and critical thinking. Each course not only strengthens essential skills but also nurtures a love of learning, equipping students with the strategies they need to excel. Give them the tools to thrive and take the next step toward academic excellence.

## Year 3 WEMT Course

Year 3 WEMT course is back and better than ever, with an updated curriculum designed to help you ace the 2026 OC placement tests!

- **Strong foundation for the OC exam:** Focus on key areas in reading comprehension, mathematical reasoning and critical thinking.
- **Effective writing strategies:** Learn how to structure and organise your writing persuasively.
- **Mastering reading comprehension:** Develop techniques to tackle challenging texts and ace multiple-choice questions with confidence.
- **Mathematics made easy:** Gain a solid understanding of mathematical concepts, formulas, and problem-solving techniques.
- **Mind-stimulating thinking skills:** Challenge yourself with engaging exercises to enhance critical thinking and problem-solving abilities.
- Choose your learning Journey. We offer three flexible options to fit your needs:

### WEMT (Face-to-face learning)

Learn directly from expert teachers in a dynamic classroom setting and access all Cyberschool resources.

- **The Annual Scholarship and Sibling Discounts** are available until **27<sup>th</sup> September 2025**.

- **Materials collection:** Face-to-face WEMT students will receive their course materials on the first day of class.

## OC Trial Test Course (OCTTC)

### Get Ahead and Gain Confidence in the 2026 OC Placement Test!

Term 4 OC Trial Test Course (OCTTC) is significant for Year 3 students who will sit for the OC placement test in May next year. By taking OC trial tests on a weekly basis, students will be able to systematically build up their exam skills and be confidently prepared for the actual exam.

The course consists of different types of questions and reflects the format, timing and conditions of the actual exam. It will help students to manage the test time efficiently, minimise errors, overcome exam nerves and perform at his or her optimum level. **For full details, check the 2025-2026 OCTTC newsletter.**

- Class location and time may be changed depending on the number of enrolments.
- **Special D/C price\* offer** is available only to the parents who enrol in both Term 4 full-term OCTTC and Term 4 full term Year 3 WEMT course together. This price does NOT include the WEMT course fee. Parents must pay the term 4 WEMT course fee separately.
- **The Annual Scholarship Discount** is available until **Saturday, 27<sup>th</sup> September 2025**
- The Sibling Discount does NOT apply to the OC Trial Test Course.
- **Important information before enrolling in the OCTTC:**
  - ✓ Students can only access the OCTTC test questions during their scheduled class sessions. While Cyberschool may offer limited access to review specific portions under certain conditions and policies, this course does not provide take-home test papers.

- ✓ A testing device will be provided for students to use during computer-based trial test sessions. If a device is damaged due to misuse or careless handling by the student, **parents will be responsible for the repair costs.**
- ✓ The Cyberschool service is offered as a complimentary benefit by Pre-Uni New College and is not included in the tuition fee. Access is available for a limited time and will expire once the designated period ends. Please be aware that the Cyberschool service is subject to change without prior notice.

## **NEW!** Thinking Skills for OC Course (Please Enquire)

We're excited to launch our new "Thinking Skills for OC" course, tailored specifically for Year 3 students! Designed to strengthen problem-solving and critical thinking abilities, this program equips students with the essential skills they need to excel academically and succeed in the OC placement test.

With a comprehensive focus on the thinking skills component of the OC exam, the course covers a wide range of key topics to ensure students are well-prepared.

Empower your child with the tools and strategies to build confidence and achieve their academic goals!

### Course Overview:

- The course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- Through engaging activities and thought-provoking exercises, our dedicated teacher will guide the students on their path to becoming proficient critical thinkers.
- Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- Students will be encouraged to analyse, evaluate, and draw reasoned conclusions from the information they encounter.
- As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- The course is open to Years 3 students who are aiming for the OC placement and will cover essential topics to equip them with the necessary knowledge for the thinking skills test.
