Thinking Skills for Selective Course

(Please Enquire)

We are thrilled to introduce a new "Thinking Skills for Selective" Course for our Year 4 students. This course has been specially designed to foster the development of problem-solving and critical thinking abilities, equipping our students with the necessary skills for success in their academic journey and ultimately, for the selective school placement test. With a comprehensive focus on preparing them for the selective exam thinking skills component, the course will cover a diverse array of essential topics.

Course Overview:

- ❖ Thinking Skills Course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- ❖ Through engaging activities and thought-provoking exercises, our dedicated tutors will guide the students on their path to becoming proficient critical thinkers.
- ❖ Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- ❖ We will encourage students to analyse, evaluate, and draw reasoned conclusions from the information they encounter. As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- ❖ The course will cover essential topics to equip students with the necessary knowledge for the selective school placement test.
